Have someone else measure you.  Measure with clothes on that you normally jump in.

**Over the shoulder  ( A ):** Measure from the hole just below your collar bone (where your 3-rings would sit) over the shoulder, down your back to the top of your butt crack.  Should be between 27-30in.

**Torso  ( B ):** Measure from the hole just below your collar bone straight down to the front rounded edge of hip bone.  Should be between 15-20 in.

**Hip to Hip ( C ):**  Measure from the corner of your hip bone around back to the other corner of your hipbone.  Keep it horizontal.  Should be between 19-25 in.

**Leg 1 ( D ):**  Measure from your hipbone around your leg, back to the hipbone.  (The path of where the leg strap sits).

**Leg 2 ( E ) :** Measure horizontally around the thickest part of your leg.

**Waist :** Measure your waist at the belly button
